Gaza Great Minds
We Will Read Again

Live Spaces Host

Gaza Great Mind Family consists of talented team of non-paid volunteers across the world who manage the fundraising, social media and web presence for the project. Our role is to showcase the work of the talented educational teams on the ground and advocate for them to raise financial support and educational resources.

We believe that any family is as strong as the members allow it to be. GGM family is seeking highly energetic, passionate and qualified individuals who care about children's education in Gaza during all circumstances. GGM family offers a rewarding experience psychologically by making a real impact on the present & future of the children of Gaza.

Role brief

GGM is looking for a Space host to develop a unique and engaging on-air persona, creating a connection with GGM audience that keeps listeners coming back for more. Successful host would possess strong communication skills, the ability to create compelling and relevant content, and a deep understanding of GGM target audience.

Responsibilities:

- Prepare and plan live interviews across various social media platforms including selecting topics, creating outlines, and scripting if necessary.
- Act as the main presenter or host.
- Prepare questions and talking points to guide discussions.
- Engaging with the Audience and foster a conversational atmosphere.
- Familiarize yourself with the Palestine affairs and GGM cause.
- Understand social media marketing and content marketing.
- Research influencers with real-life experiences and expertise and invite them to collaborate with you.
- Write and deliver scripted, including introductions, transitions, and ad reads.
- Analyze and produce reports on GGM live spaces engagement and performance.
- Provide recommendations to improve the GGM live spaces channel's performance.
- Ensure spaces meet the desired length and quality standards.
- Coordinate with guests, co-hosts, and GGM teams to ensure smooth workflow.

Ideal volunteer would poses:

- Research.
- Analytics and number-crunching.
- Leadership.
- Strong live spaces planning and scripting skills.
- Strong interpersonal skills.
- Passion for people, curiosity, and storytelling.
