# Gaza Great Minds

### We Will Read Again

---

## Video Editor

Gaza Great Mind Family consists of talented team of non-paid volunteers across the world who manage the fundraising, social media and web presence for the project. Our role is to showcase the work of the talented educational teams on the ground and advocate for them to raise financial support and educational resources.

We believe that any family is as strong as the members allow it to be. GGM family is seeking highly energetic, passionate and qualified individuals who care about children's education in Gaza during all circumstances. GGM family offers a rewarding experience psychologically by making a real impact on the present & future of the children of Gaza.

### Role brief

GGM is looking for video editor to arrange, assemble, and process recorded and stock video clips into a seamless whole. Help GGM FDN produce dynamic, entertaining, and audience-appropriate videos to expand market reach and increase viewer engagement.

### Responsibilities:
- Handles and organises raw and edited video files
- Assembling raw footage and transferring or uploading to a computer
- Analysing and following a script, screenplay or outline when performing edits
- Inputting sound to enhance footage, which may include selecting music and writing voice-overs
- Adding graphics to enhance footage
- Adding subtitles & translation as needed.
- Digitally splicing film and video and synchronising them into one rough cut file
- Improving and correcting lighting, colouring and faulty footage
- Making revisions to edits upon request
- Adjusts formats and file sizes as needed

### Ideal volunteer would poses:
- Deep understanding of digital trends and editing principle.
- Time management skills to complete edits and revisions in accordance with strict deadlines
- Organizational skills and information ordering ability to place scenes in logical order
- Reading comprehension and critical thinking skills to fully understand scripts
- Creative thinking ability to translate raw footage into a finished product while following a script or storyboard
- Knowledge of video editing, photo editing and production software
